ABOUT THE UNIVERSITY

Annamalai University, one of the largest unitary, teaching, and residential Universities in Southern Asia, was established and incorporated in the year 1929 as per the Annamalai University Act 1928 (Tamil Nadu Act 1 of 1929). Now, the Annamalai University Act, 1928 has been repealed and replaced by the Annamalai University Act 2013 (Tamil Nadu Act 20 of 2013). His Excellency the Governor of Tamil Nadu is the Chancellor of the University.

The University is located at Annamalainagar, adjacent to Chidambaram town, the abode of Lord Nataraja, the Cosmic Dancer. The sprawling and scenic campus, spread over an extensive area of about 800 acres has the Faculties of Arts, Science, Indian Languages, Engineering and Technology, Education, Fine Arts, Agriculture, Medicine, Dentistry and Marine Sciences.

This University has, since its inception, aimed at imparting education in all fields of knowledge to thousands of students from across the country and abroad. Located in a rural setting in coastal district of Cuddalore in Tamil Nadu, the University has played a pivotal role in providing access to higher education to thousands of youth from economically and socially disadvantaged classes. In this respect, this university's service to the nation is tremendous.

In past 85 years, the University has grown into a premier institution of higher learning and research. This is evident from the reports of Ministry of Science and Technology ("Measures of Performance of Universities in India: An analysis of the Publication Output in Science and Technology" published by CSIR – National Institute of Science Technology and Development Studies, New Delhi – 2011, p.102) that ranks Annamalai University is in the ninth position within the top ten Universities, among 600 and odd Universities in India, regarding the overall science publication output. In respect of Environmental Science, the University is ranked second, in Energy fourth, in Engineering Sciences fifth and in Biological Sciences eighth.

The Scimago (Scopus) survey for ranking Universities, Educational Institutions and sponsoring agencies across the world has rated Annamalai University to be 22nd in India, next to DRDO (Defense Research and Development Organisation) and to be 7th among Indian Universities (Scimago Institutions Ranking Scimago Research Group, 2012. Data source: Scopus. <http://www.scimagoir.com>). The popular journal in India *careers 360* has ranked Annamalai University to be second among four star rated universities of Tamilnadu. This survey has only 10 Universities in India ranked above Annamalai University (India's Outstanding Universities, Careers 360 March, 2014. www.carreers360.com, p.16-19).

All the ten faculties enjoy reputation across the globe for their distinguished record of effective teaching at the higher level, continuing research and develop human resources. Numerous infrastructures have been created to cope up with the voluminous increase in enrolment of students in various on-campus programmes. New laboratory facilities in terms of space and equipment have been provided to cater to the needs of the learners and researchers. Video conferencing, Edusat, campuswide network with 1750 access points, high tech class rooms are some of the facilities added.

An Internal Quality Assurance Cell is in vogue to monitor the quality of academic results. The departments of study conduct national and international seminars, symposia, workshops and conferences to expose teachers and students of the University to world class teaching and research. Students Progression Cell has been created to coach students for taking Indian Civil Services Examinations. In keeping with the national policy of public health, the concept of 'No Smoking Zone' has been put into practice. A Student Welfare Cell, for on-campus students, has been set up to promote personality development.

With a view of preparing the students for a bright career and to impart right attitudes and specific skills, the placement cells are functioning in three different locations, one to cater the needs of the students of Faculty of Engineering & Technology, the second to cater the needs of the students of Faculty of Agriculture and the third, in the Department of Business Administration, for the students of Arts, Science, Education and Fine Arts. These cells advise students with regard to the choice of careers and higher studies. They help students to undergo in-plant training during semester holidays and also find suitable placement through campus interviews. Seminars and training Programmes on Entrepreneurial Development and Career Guidance are held periodically.

The 1200 bedded teaching hospital with a built-up area of about 6,00,000 sq.ft. provide basic as well as specialised healthcare services to various sections of the community in and around the campus.

Students can opt to enrol themselves in extracurricular activities such as NSS, NCC, Blue Ribbon club and YRC. A sports pavilion with modern infrastructure is available for the students.

The University Library named after the eminent scholar, statesman and former Vice-Chancellor Dr. Sir C.P. Ramaswami Aiyer, is a knowledge resource centre for the students and the staff. The Library is equipped with INTERNET connectivity and CD NETWORK station. Quite a good number of journals can be accessed through the Infonet facility. Science Direct is subscribed through which 340 journals can be accessed.

The University has Memorandum of Understanding with many foreign Universities on research collaboration and exchange of students and staff as well. There are sufficient numbers of hostels for the convenience of the students to pursue their studies on campus. Wi Fi facilities are available in the hostel.

FACULTY OF ENGINEERING AND TECHNOLOGY
