Office Seal

OBJECTIVE:

Publication is an art and is the most important output of any research. Though it seems to be very simple in first instance, it is a tedious and a painful task for anyone to do in a perfect way and getting published in peer reviewed journals. A paper published in a high impact journal is a reflection of subject stuff of the concerned candidate and/or his supervisor.

The topics for discussion in the proposed Workshop includes, but not limited to, the various categories of manuscripts in science publications and their general structure, the basic qualities of a journal recognized by the Science bodies, the ISSN number, the impact factor, h-index, etc and key ideas involved in manuscript preparation.

The proposed workshop aims to give a detailed outlook of these tasks in writing a paper, case studies and hands-on-training in very few application software tools that are commonly used by researchers of various area in publications of their findings. This will make the participants to be familiar in preparing the standard format of their manuscripts and general logic. As manuscript preparation is a general competency needed by every researcher irrespective of their field of research, this workshop will provide creativity for the scholars of Science, Engineering, Agriculture and Medical faculties to devise their own projects in their respective studies.

PROGRAMME STRUCTURE (DISCUSSIONS)

- Introduction and Intentions
- Manuscript Preparation - *Types & Basics*
- Anatomy of Scientific Papers
- Cite while you Write & Referencing Systems
- Free & Paid Resources Available Online
- Writings for Publications - *Case Studies*
- Publication Process - *Roles involved*
- Conference Publication & Journal Publication
- Most Famous Publishers & their Popular Tools
- e-Journals and Infonet/Infibnet Programmes

Boarding and Lodging

Accommodation and boarding if required, will be provided in the University Campus on chargeable basis. Accommodation and Boarding Rs.500/- per day.

Course Fee and Registration

Registration Fee: Rs. 500/- for ALL CATEGORIES

The registration fee includes course material, lunch and refreshments. Demand Draft for the registration fee payable at Chidambaram or Annamalainagar should be drawn in favour of **"The Registrar, Annamalai University"**.

Target Groups

The workshop is designed for all academicians irrespective of their discipline. However the research scholars and the final year post-graduate students are especially encouraged to apply. Main theme of the workshop is to offer guidance for the participants in preparing the manuscripts and getting them published.

How to Apply

The applicants should send their applications in the specified format so as to reach the Coordinator on or before 18-08-2018. If selected, they should confirm their participation in time. About 60 participants will be selected on the basis of first come first serve.

Scheduled Dates

Last date for receipt of Applications: (by post and email)	18-08-2018
Intimation of Selection:	19-08-2018
Confirmation by participants:	20-08-2018

About the University

In the early 1920s Rajah Sir S.R.M. Annamalai Chettiar founded Sri Minakshi College, Sri Minakshi Tamil College and Sri Minakshi Sanskrit College at Chidambaram. In 1928, Rajah Sir S.R.M. Annamalai Chettiar agreed with the local Government to handover the above said institution for establishing a University. Thus, on 01.01.1929 Annamalai University was established as per Annamalai University Act 1928 (Tamil Nadu Act 1 of 1929).

One of the most significant developments is the enactment of the Annamalai University Act, 2013 (Tamil Nadu Act 20 of 2013), which has come into force from September 25, 2013. Annamalai University is accredited with 'A' Grade by NAAC in 2014. "The NIRF-2018" by the Ministry of Human Resource Development (MHRD) has ranked the University in the band 101 - 150 in the overall category as well as the University Category. In the Pharmacy Category the ranking is 20 in India. In the Medical Category the ranking is 24. "The Times Higher Education World University Ranking - 2018" has ranked Annamalai University in 801 - 1000 for Overall category and 401 - 500 for Life Sciences category. "The CWTS Leiden Ranking 2017", on scientific impact of universities and on universities' involvement in scientific collaboration & scientific performance, has ranked the University at 14 based on the number of publications and 3 based on the proportion of publications that, compared with other publications in the same field and in the same year, belong to the top 10% most frequently cited. "The Nielsen - India Today Ranking" (2017) has ranked Annamalai University 11 among the top 30 Universities in India. Among the top 100 institutions for Higher Education in India the "SCImago Institutional Ranking" has ranked Annamalai University as 4 in Tamil Nadu and 20 in India.

Annamalai University is one of the largest unitary, teaching, and residential Universities in Southern Asia comprising of 10 Faculties and 49 Departments of Study. This University has played a pivotal role in providing access to higher education to thousands of youth cutting across the social spectrum, especially from economically and socially disadvantaged classes. In this respect, this University's service to the nation is tremendous.

About the Department of Physics

The Department of Physics was started in the very beginning of start of Annamalai University. Physics acts the core of science, as most of the inventions are brought forth by it. Physics comprise of broad study of molecular structure and composition through spectroscopy research. Availability of Scanning Electron microscope, Atomic Force Microscope, Laser Scanning Confocal Microscope, Simultaneous Thermal Analyzer, Flow Cytometer, Inductively Coupled Plasma-Mass Spectrometer etc are boon for observing the specimens with accuracy. The Department of Physics extends the instrumentation facilities to other sister Departments and Universities. The Department of Physics has been sponsored with DST-FIST and is having many UGC funded Projects. The Department has awarded nearly 375 Ph.D and more than 2000 M.Phil. degrees. The teachers and scholars of the Department have published about 500 research articles in the last five years. The Alumni of Physics Department have positioned themselves in Atomic Research Centres.
