

NATIONAL CONFERENCE ON MACHINE LEARNING TECHNIQUES (NCMLT 2018)

ABOUT THE UNIVERSITY

In the early 1920s Rajah Sir S. R. M. Annamalai Chettiar founded Sri Minakshi college, Sri Minakshi Tamil College and Sri Minakshi Sanskrit College at Chidambaram. In 1928, Rajah Sir S. R. M. Annamalai Chettiar agreed with the local Government to handover the above said institution for establishing a University. Thus, on 01.01.1929 Annamalai University was established as per Annamalai University Act 1928 (Tamil Nadu Act 1 of 1929). One of the most significant developments is the enactment of the Annamalai University Act, 2013 (Tamil Nadu Act 20 of 2013), which has come into force from September 25, 2013. Annamalai University is accredited with 'A' Grade by NAAC in 2014. "The NIRF-2018" by the Ministry of Human Resource Development (MHRD) has ranked the University in the band 101 - 150 in the overall category as well as the University Category. In the Pharmacy Category the ranking is 20th in India. In the Medical Category the ranking is 24th. "The Times Higher Education World University Ranking - 2018" has ranked Annamalai University in 801 - 1000 for Overall category and 401 - 500 for Life Sciences category. "The CWTS Leiden Ranking 2017", on scientific impact of universities and on universities' involvement in scientific collaboration & scientific performance, has ranked the University at 14th based on the number of publications and 3rd based on the proportion of publications that, compared with other publications in the same field and in the same

year, belong to the top 10% most frequently cited. "The Nielsen - India Today Ranking" (2017) has ranked Annamalai University 11th among the top 30 Universities in India. Among the top 100 institutions for Higher Education in India the "SCImago Institutional Ranking" has ranked Annamalai University as 4th in Tamil Nadu and 20th in India. Annamalai University is one of the largest unitary, teaching, and residential Universities in Southern Asia comprising of 10 Faculties and 49 departments of study. This University has played a pivotal role in providing access to higher education to thousands of youth cutting across the social spectrum, especially from economically and socially disadvantaged classes. In this respect, this University's service to the nation is tremendous.

ABOUT THE DEPARTMENT

The Department of Computer Science and Engineering was established in the year 1984 to meet the demand for well-qualified computer professionals. The various Associations and Clubs promote the leadership and organizational skills of the students by conducting various academic events throughout the year. Apart from academics, students also involve themselves in activities that inculcate service and team spirit. The department library has more than 7500 books. In addition, it also has E-resources to access Journals / Magazines with Internet facilities. The department houses more than 300 high end computers to meet the requirements of various laboratories. In addition, it has IoT laboratory for the benefit of the students to explore in the latest technology. The department has organized a International Conference and

Several National Conferences and Workshops. The department has many research projects funded by AICTE, UGC, DST and TNSCST.

CONFERENCE SCOPE

The National Conference on Machine Learning Techniques aims to bring together researchers to exchange and share their experiences and research results on all aspects of Machine Learning Techniques. It also provides a premier interdisciplinary platform for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Machine Learning Techniques.

The conference topics included but not limited to the following broad areas:

- ❖ Artificial Intelligence
- ❖ Internet of Things (IoT)
- ❖ Big Data Analytics
- ❖ Cloud Computing
- ❖ Pattern Recognition
- ❖ Computer Vision
- ❖ Image Processing
- ❖ Data Science
- ❖ Data Mining
- ❖ Predictive Analytics
- ❖ Artificial Neural Networks
- ❖ Speech Recognition
