CONNECT 2K18

on 28th March 2018

About the University :

The most significant development is the enactment of the Annamalai University (AU) Act, 2013 (Tamil Nadu Act 20 of 2013), which has come into force from 25th sep 2013, after obtaining the assent of His Excellency, the President of India. Annamalai University accredited with 'A' Grade by NAAC in 2014, is one of India's largest public residential Universities with 10 Faculties and 49 departments of study. The NIRF-2017 by the Ministry of Human Resource Development (MHRD) has ranked the university as 20th in Tamil Nadu and 92nd in India in the overall category. In the University category the ranking is 14th in Tamil Nadu and 56th in India. The "Times Higher Education World University ranking-2018" has ranked AU in 801- 1000 for overall category and 401- 500 for Life Sciences category.

About the Department :

The Department of Electronics and Communication Engineering was established in the year 2002, under the Department of Electrical Engineering and it was bifurcated in the year 2016. Since then, ECE Department has always been on a progressive path and it is evergreen for new technology and updating. Our Department introduced the student association (ECEA) as a platform forum to exhibit their talents and extra curricular activities.

VISION

To provide innovative, creative and technically compliant Electronic and Communication Engineers for industry and society through excellence in Technical Education and Research.

MISSION

- ❖ To provide quality education in the field of Electronics and Communication Engineering through periodically updated curriculum, effective teaching-learning process, best laboratory facilities and collaborative ventures with the industries.
- ❖ To inculcate innovative skills, research aptitude, team-work, ethical practices among students so as to meet expectations of the industry as well as society.
- ❖ To provide students with hands on training on latest technology with supporting software.
- ❖ To facilitate effective interactions among faculty and students, and foster networking with alumni, industries and other reputed institutions.

About the Symposium :

The "CONNECT" A National level Technical Symposium is organized by the Department of Electronics and Communication Engineering, FEAT Annamalai University. The ultimate objective of this Symposium is to encourage the young minds to explore their knowledge

and to give new and smart solutions. The name 'CONNECT' link the students to interact intellectually and create innovative ideas and concepts.
