Chief Patron

Prof. Dr. S. Manian

Vice-Chancellor

Annamalai University.

Patron

Prof. Dr. K. Arumugam

Registrar i/c

Annamalai University.

Vice-Patron

Prof. Dr. C. Antony Jeyasehar

Dean

Faculty of Engineering & Technology

Annamalai University.

Chairman

Dr. P. Kailasapathi, PhD.,

Professor & Head

Vice-Chairperson

Prof. Dr. G. Yamuna, PhD.,

Conference Directors

Dr. R. Gayathri, M.E., PhD., M.B.A.,

Mr. K.Tamizhmaran, M.E., (Ph.D).,

Asst. Professors, Dept. of ECE.

National Conference

on

***Recent Developments in
Electronics World
(RDEW'17)***

JULY,15,2017

Organized by Department of

Electronics & Communication Engg. (ECE)

Annamalai University

(Accredited with 'A' Grade by NAAC)

Annamalainagar 608 002

TAMILNADU, INDIA.

Website: annamalaiuniversity.ac.in

About the University

Annamalai University, established in 1929, by The Annamalai University Act, 1929, is the only unitary, residential, multi-faculty University in the State of Tamil Nadu with 10 Faculties and 49 Departments of Study. Recently, the Government of Tamil Nadu enacted The Annamalai University Act -2013, to bring the University under its direct ambit. The University, for the past 87 years, has crossed noteworthy milestones in the process of contributing to the cause of promoting higher education among the people for whom it would have remained a distant dream. The NAAC has accredited the University with 'A' Grade in 2014, which is a recent feather added to its cap. At Annamalai, the curriculum is designed in line with the educational policies of the State and Central Government in order to address the global needs and at the same time striking a balance to serve the cause of national development and regional requirements. The syllabus is dynamic and constantly revamped to keep pace with the rapid developments. A central library, besides faculty and departmental libraries caters to the quest for knowledge of thousands of students of varied disciplines. Medical Facilities for Students Teaching & Non-teaching Staff and facilities for Sports And Cultural Activity makes campus life secure, interesting and meaningful. The University enjoys unstinted support from its alumni. Registered alumni associations exist and contribute generously to the growth of their Alma-Mater. Internal Quality Assurance Cell (IQAC) plays a proactive role in reviewing the current status and evolve a system for conscious, consistent and catalytic improvement in the performance of the institution..

About the Department

The Bachelors degree in ECE has been offered by our University since 2002; while the Department of Electronics and Communication Engineering, established under the Faculty of Engineering and Technology, started functioning as a separate department from August 2016. Our Department is well known for providing quality technical education to the students across the country and abroad through on and off campus modes. It offers Undergraduate, Post-graduate, and Doctoral programs. The Department conducts short-term programs, workshops, national and international conferences regularly with a view to provide a platform for displaying the contributions made by researchers. The Department organizes students' level technical symposium, intradepartmental sports meet and extra-curricular activities every year for bringing out their academic excellence in the emerging areas, promoting the technical skills besides patronizing their interest in sports and cultural arenas.

About the Conference

The primary objective of this National Conference on **Recent Developments in Electronics World (RDEW'17)** is to bring together Industrial Participants, Academic, Research Scholar, and Students of Reputed Institution to explore their Research Innovation and ideas in Future Technology The Conference is open to Research Scholars, Academicians from Engineering/Science Courses and Industrial Participants who may present research papers related to recent challenges in the following domains(Not constrained to the mentioned domains):

1. Antennas
2. VLSI
3. Embedded System
4. Signals Processing
5. Mobile and Cellular Communication
6. Image Processing
7. Microwave Communication
8. Digital Communication
9. Robotics
10. Aeronautical Engineering
11. Applied Electronics
12. MEMS
13. Data Communication
14. Telecommunication Engineering
15. Satellite Communication
16. ADHOC-Sensor Networks
17. MMIC
18. Optimization Techniques
19. Wireless Communication
20. Network Security
21. Speech and signal Processing.
22. Bio Medical Applications
23. Nano Technology.
24. RF Communications
25. Industrial Electronics

Conference date: JULY 15 , 2017

Call for Papers

In view of the limited seats (100) and National status, we are committed to accept only research papers of very high quality. Submitted papers will

be checked for significance, originality, technical quality, and exposition. Participants may send abstracts in about 150 words indicating briefly the title, name of the presenter, methodology adopted, major findings and implications.. The abstract should be sent to the following e-mail as specified:

The papers selected for the conference would be published in the proceedings of the conference with ISBN. The authors should pay the fees within 1 week of selection intimation & also should submit their Registration Form duly filled in all respects.

Last date for submission of paper: 21.06.17

Final Acceptance Notice: 25.06.17

Registration Fees:

UG:: Rs.400

PG students:Rs.6 00

Research Scholar/Academicians : **Rs.700/-**

Industrial Participants: **Rs.1000**

Outstation participants are requested to send their Registration form and demand draft only after confirmation of registration over phone / e-mail. Soft copy of Registration form can be downloaded from the web page mentioned below.

<http://annamalaiuniversity.ac.in/>

DD should be drawn in favor of "The Registrar, Annamalai University," payable at Annamalainagar. The Registration fees include conference kit, presentation / participation certificate, tea, and working lunch. A separate certificate for co-authors will be given only on the receipt of the registration fee.

Accommodation

Accommodation for outstation participants will be arranged at the University Guest House on request. The Guest House has three bedded A/C (Rs. 800/- per day) and Non-A/C (Rs. 400/- per day) rooms on sharing basis. The payment for the university accommodation should be made on the spot by cash. The participants are requested to confirm their arrival and departure timing over phone/email.
