

ANNAMALAI UNIVERSITY

UGC-SAP Sponsored National Level Hands-On Training Programme on Flow Cytometry, Confocal Microscopy & Immunoblot-SNAP id System

February 26 to 28, 2018

Organized by

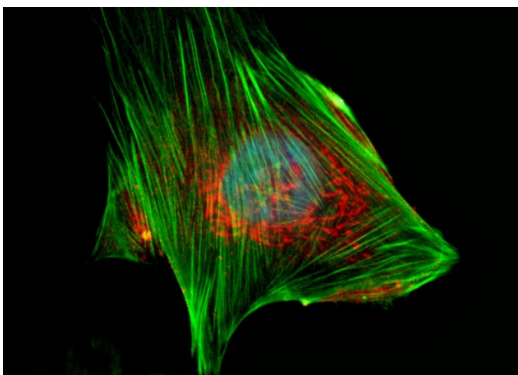

DEPARTMENT OF BIOCHEMISTRY & BIOTECHNOLOGY

In collaboration with CISL, DEPARTMENT OF PHYSICS

About the Workshop: Cell-based assays play a major role in biomedical research and in the pharmaceutical industry. The objective of this workshop is to provide a strong foundation in the principles and practice of flow-cytometry, confocal microscopy, and immunoblot-SNAP id™ system that accelerates the immunoblotting procedure. Hands-on practical training will include sample preparation, SDS-PAGE, immunoblotting using SNAP id™ system, as well as staining and imaging using confocal microscope. Cell cycle analysis and apoptosis assays will be carried out by FACS. Practical training will be supported by theory sessions to provide a clear understanding of the methodology and applications to research problems.

Hands-on Training in

- Flow Cytometry
- Confocal Microscopy
- Protein Extraction
- Immunoblot-SNAP id

Important Information

Participants

Junior-Level Faculty from Colleges/ Universities, Ph.D. Students and Industry personnel

Registration Fee:

Rs.3000/- (For Students & Faculty)
Rs.4000/- (For Industry Personnel)

Registration fee can be drawn in any Nationalized Bank in the form of Demand Draft in favour of the "The Registrar, Annamalai University", payable at Annamalainagar along with filled in registration form.

Accommodation

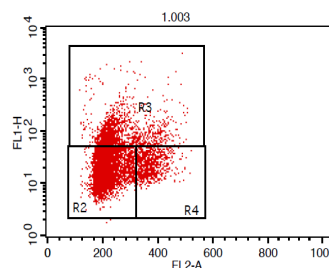

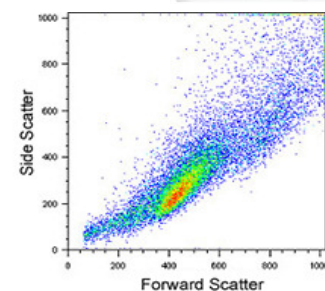

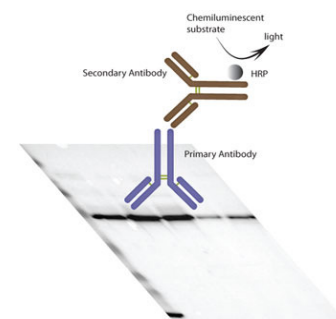

Accommodation for outstation delegates will be arranged in University Guest House on prior request.

Tariff

	Non AC	AC
Single occupancy per day	Rs. 400	Rs.800
Sharing basis per day	Rs.150	Rs.300

Limited Seats Only
