ABOUT THE UNIVERSITY

Annamalai University, one of the largest unitary, teaching, and residential Universities in Southern Asia, was established and incorporated in the year 1929 as per the Annamalai University Act 1928 (Tamil Nadu Act 1 of 1929). Now, the Annamalai University Act, 1928 has been repealed and replaced by the Annamalai University Act 2013 (Tamil Nadu Act 20 of 2013). His Excellency the Governor of Tamil Nadu is the Chancellor of the University. ***The University is awarded 'A' Grade by NAAC in December 2014.***

The University is located at Annamalainagar, adjacent to Chidambaram town, the abode of Lord Nataraja, the Cosmic Dancer. The University, since its inception, has played a pivotal role in providing access to higher education to thousands of youth from economically and socially disadvantaged classes. In this respect, the University's service to the nation is tremendous. In past 89 years, the University has grown into a premier institution of higher learning and research. The sprawling and scenic campus, spread over an extensive area of about 800 acres has the Faculties of Arts, Science, Indian Languages, Engineering and Technology, Education, Fine Arts, Agriculture, Medicine, Dentistry and Marine Sciences.

All the ten faculties enjoy reputation across the globe for their distinguished record of effective teaching at the higher level, continuing research and develop human resources. Numerous infrastructure facilities have been created to cater to all the students enrolled in the various on-campus programmes. New laboratory facilities in terms of space and equipment have been provided to satiate the needs of the learners and researchers. Video conferencing, Edusat, campus wide network with 1750 access points, high tech class rooms are some of the facilities added.

The University Library, named after the eminent scholar, statesman and former Vice-Chancellor Dr. Sir C.P. Ramaswami Aiyer, serves as knowledge hub for the students and the staff. Quite a good number of journals can be accessed through the Infonet facility. Science Direct is subscribed through which 340 journals can be accessed.

The sports pavilion of the University, with an area of over 6.5 acres, houses facilities for sports and games. Tennis court complex, basketball complex, volleyball complex, athletic standard track, cricket field & nets, football field, hockey field and a wooden floored indoor stadium are a few worth mentioning.

1. FACULTY OF MEDICINE

The Faculty of Medicine has two colleges under its ambit. They are the Rajah Muthiah Medical College and the Rani Meyyammai College of Nursing.

The Rajah Muthiah Medical College has a 1260 bed tertiary level collegiate hospital with all specialities, super-specialities supported by modern 24-hour laboratory and Radiological Imaging Service equipped with Doppler, Ultrasound, Mammography, Digital X-ray, C-arm, CT Scan and the MRI. The Medical Council of India has accorded permanent recognition for annual intake of 150 students for the MBBS programme.

Rajah Muthiah Institute of Health Sciences was established in the year 1980 with the inception of the Dental College. Thereafter, in the second phase of development, the Rajah Muthiah Medical College was established in the year 1985.

The Rajah Muthiah Medical College and Hospital serves the needs of the surrounding villages, by providing medical treatment with skilled doctors, paramedical staff and a well equipped hospital. Apart from ensuring curative and rehabilitative services through the teaching hospital of the college, community services on the preventive and promotive sides are being meaningfully organised, keeping in view the health needs of the rural as well as the urban sectors of the community.

RAJAH MUTHIAH MEDICAL COLLEGE HOSPITAL

The Academic tempo in the Rajah Muthiah Medical College and Hospital is maintained high by the activities of the scientific body – ‘Academy of Medical Sciences’. Under the auspices of the Academy, regular monthly meetings are held wherein research papers and hospital cases are presented and discussed. Symposia are held annually on various Medical topics. Eminent scientists are invited by the Academy to deliver guest lectures on topics of current importance. The University has been hosting several National/International Medical Conferences. The teachers

in the Faculty are encouraged to present papers/participate in several National/International Seminars/ Conferences/Symposia.

RAJAH MUTHIAH INSTITUTE OF HEALTH SCIENCES

The Medical Education Unit functioning with the Dean as the Chairman, organizes programmes connected with Medical Education such as Orientation Programmes, Basic & Advanced Cardio Pulmonary Resuscitation Workshops for CRRIs & PGs, Faculty Development Programmes, Clinico Pathological Conferences and Special Lectures etc.,

The imposing structures of Rajah Muthiah Medical College has the distinction of having been declared open by His Excellency Shri R.Venkataraman, the then President of India, on 28.4.1988.

A special feature of Rajah Muthiah Medical College is that it is one of the very few Medical Colleges in India directly run by Universities. As a University Medical College with residential system, there are ample opportunities for healthy interaction and learning from the multi-disciplinary facilities available in the campus of the Annamalai University.

The Rajah Muthiah Medical College is offering Post Graduate degree programmes in 19 different specialities with effect from the academic year 1997-98, all of which are recognised by the Medical Council of India.

A separate Medical College Library functions in the faculty since 1985-86. Initially the library was functioning in Para Clinical Block situated in RMMCH Campus. Later to provide additional space for the Library as prescribed by the Medical Council of India, during the Platinum Jubilee celebration of the Annamalai University i.e. during 2004-05 a new state of the art centrally air conditioned building with 2640 sq.m. floor area was constructed and the library was shifted to the new building. 24124 Books, 6421 Back Volumes and 2840 Online Journals are available in the Central Medical Library.

The Library is kept open from 09.00 a.m. to 10.00 p.m. on all working days and all holidays. During examinations the Library is open upto 12.00 midnight.
