1. ABOUT THE UNIVERSITY

In the early 1920s Rajah Sir S. R. M. Annamalai Chettiar founded Sri Minakshi College, Sri Minakshi Tamil College and Sri Minakshi Sanskrit College at Chidambaram. In 1928, Rajah Sir S.R.M. Annamalai Chettiar agreed with the local Government to handover the above said institution for establishing a University. Thus, on 01.01.1929 Annamalai University was established as per Annamalai University Act 1928 (Tamil Nadu Act 1 of 1929).

One of the most significant developments is the enactment of the Annamalai University Act, 2013 (Tamil Nadu Act 20 of 2013), which has come into force from September 25, 2013. Annamalai University is accredited with 'A' Grade by **NAAC** in 2014. "**The Times Higher Education World University Ranking - 2018**" has ranked Annamalai University in 801 - 1000 for Overall category and 401 - 500 for Life Sciences category. "**The CWTS Leiden Ranking 2017**", on scientific impact of universities and on universities' involvement in scientific collaboration & scientific performance, has ranked the University at 14th based on the number of publications and 3rd based on the proportion of publications that, compared with other publications in the same field and in the same year, belong to the top 10% most frequently cited. "**The Nielsen - India Today Ranking**" (2017) has ranked Annamalai University 11th among the top 30 Universities in India. Among the top 100 institutions for Higher Education in India the "**SCImago Institutional Ranking**" has ranked Annamalai University as 4th in Tamil Nadu and 20th in India.

Annamalai University is one of the largest unitary, teaching, and residential Universities in Southern Asia comprising of 10 Faculties and 49 departments of study. This University has played a pivotal role in providing access to higher education to thousands of youth cutting across the social spectrum, especially from economically and socially disadvantaged classes. In this respect, this University's service to the nation is tremendous.

In past 90 years, the University has grown into a premier institution of higher learning and research. This is evident from the reports of Ministry of Science and Technology ("Measures of Performance of Universities in India: An analysis of the Publication Output in Science and Technology" published by CSIR - National Institute of Science Technology and Development Studies, New Delhi - 2011, p.102) that ranks Annamalai University in the ninth position within the top ten Universities, among 600 and odd Universities in India, regarding the overall science publication output. In respect of Environmental Science, the University is ranked second, in Energy fourth, in Engineering Sciences fifth and in Biological Sciences eighth.

All the ten faculties enjoy reputation across the globe for their distinguished record of effective teaching at the higher level, continuing research and

development of human resources. Numerous infrastructures have been created to cope up with the voluminous increase in enrolment of students in various on-campus programmes. New laboratory facilities in terms of space and equipment have been provided to cater to the needs of the learners and researchers. Video conferencing, Edusat, campuswide network with 1750 access points, high tech class rooms are some of the facilities added.

An Internal Quality Assurance Cell is in vogue to monitor the quality of academic results. The departments of study conduct national and international seminars, symposia, workshops and conferences to expose teachers and students of the University to world class teaching and research. Students Progression Cell has been created to coach students for taking Indian Civil Services Examinations. In keeping with the national policy of public health, the concept of 'No Smoking Zone' has been put into practice. A Student Welfare Cell, for on-campus students, has been set up to promote personality development.

With a view of preparing the students for a bright career and to impart right attitudes and specific skills, the placement cells are functioning in three different locations, one to cater the needs of the students of Faculty of Engineering & Technology, the second to cater the needs of the students of Faculty of Agriculture and the third, in the Department of Business Administration, for the students of Arts, Science, Marine Sciences, Education and Fine Arts. These cells advise students with regard to the choice of careers and higher studies. They help students to undergo in-plant training during semester holidays and also find suitable placement through campus interviews. Seminars and training Programmes on Entrepreneurial Development and Career Guidance are held periodically.

The 1200 bedded teaching hospital with a built-up area of about 6,00,000 sq.ft. provide basic as well as specialised healthcare services to various sections of the community in and around the campus.

Students can opt to enrol themselves in extracurricular activities such as NSS, NCC, Blue Ribbon club and YRC. A sports pavilion with modern infrastructure is available for the students.

The University Library named after the eminent scholar, statesman and former Vice-Chancellor Dr. Sir C.P. Ramaswami Aiyer, is a knowledge resource centre for the students and the staff. The Library is equipped with INTERNET connectivity and CD NETWORK station. Quite a good number of journals can be accessed through the Infonet facility. Science Direct is subscribed through which 340 journals can be accessed.

The University has Memorandum of Understanding with many foreign Universities on research collaboration and exchange of students and staff as well. There are sufficient numbers of hostels for the convenience of the students to pursue their studies on campus. Wi Fi facilities are available in the hostels.

FACULTY OF MARINE SCIENCES

CENTRE OF ADVANCED STUDY IN MARINE BIOLOGY

Centre of Advanced Study (CAS) in Marine Biology is a reputed Marine Institute in India which is actively engaged in teaching, research and extension activities in Marine Sciences. The Centre is located 12 Km away from the main campus of Annamalai University in a rural setting, having ideal location and easy access to different marine environment such as estuary, mudflats, mangroves, backwaters, sandy beach and coastal seawaters. It has made rapid strides in various facets of Marine Sciences.

This Centre was established during 1957 as a field laboratory for the Department of Zoology, Annamalai University at Parangipettai and obtained separate department status by the Annamalai University in 1961. This department was recognized for its outstanding research contribution by the University Grants Commission (UGC) as the Centre of Advanced Study in Marine Biology in October 1963. It has become a Faculty of Marine Sciences in 2010. The Centre is funded by various government organizations such as UGC, MoES, MoEn&F, DST, DBT, ICAR, ICMR, NFDB, MHRD and other national and international agencies.

INFRASTRUCTURE FACILITIES

The Centre has essential infrastructure facilities such as Reference Museum, Running Water System for maintenance of Marine Organism, Library, Smart Class Room, Solar Dryer, Seaming Machine, Central Instrumentation facility, Browsing facility, GIS Laboratory, walk in cold storage room, field vehicles including sea worthy boats and ENVIS. The library houses a very good collection of text books (nearly 7,000) and more than 10,000 volumes of journals (both national and international) related to research in marine science. An excellent display and reference collection of authentically identified specimens of the flora and fauna collected locally over a period of 50 years are maintained in the Museum.

CAREER OPPORTUNITIES

Students are offered the best of knowledge in all the aspects of fishery biology, capture and culture technology, processing and marketing apart from entrepreneurship training. The M.F.Sc. graduates are eligible to join as Fisheries Inspector, Asst. Director of Fisheries, banking sector, MPEDA in all Aquaculture sectors, Food processing, various capacities in ICAR Institutions, etc.
