

M.Sc.(Ag.) Agricultural Economics

Programme Outcomes

The M.Sc.(Ag.) Agricultural Economics programme is designed in such a way

PO1: to meet the growing demand in banking, insurance, Agricultural input and output marketing sectors.

PO2: This programme will enhance the employability of students in niche emerging areas like data analysis, data management etc.,.

PO3: The curriculum of the programme will facilitate the students to take up competitive civil service exams such as IAS, IFS, IES etc.

PO4: This programme will bolster the graduate's confidence and skill to take up independent research and prepare and evaluate projects which will facilitate their employability by NGOs to carry out survey, data analysis, interpretation and policy formulation.

PO5: This programme will kindle the student's aptitude for novel and futuristic research thus they will imbibe the passion for pursuing Ph.D. whereby their prospects for recruitment as teaching and research faculties (Assistant Professors and Agricultural Research Scientist) will become bright.

M.B.A. (Agri.Business)

Programme Outcomes

PO1. The M.B.A (Agribusiness) programme will prepare the students to meet the challenges of the dynamic business environment by imparting pragmatic managerial skills which are incorporated in the curriculum.

PO2. This will help the Agri management graduates to have an edge over the regular management graduates in their corporate business performance.

PO3. This programme will also motivate the Agri business graduates to take up self employment ventures as successful entrepreneurs.

PO4. This programme will kindle the student's aptitude for novel and futuristic research thus they will imbibe the passion for pursuing Ph.D. whereby their prospects for recruitment as teaching faculties (Assistant Professors) will become bright.
