

ABOUT THE UNIVERSITY

In the early 1920s Rajah Sir S. R. M. Annamalai Chettiar founded Sri Minakshi College, Sri Minakshi Tamil College and Sri Minakshi Sanskrit College at Chidambaram. In 1928, Rajah Sir S. R. M. Annamalai Chettiar agreed with the local Government to handover the above said institution for establishing a University. Thus, on 01.01.1929 Annamalai University was established as per Annamalai University Act 1928 (Tamil Nadu Act 1 of 1929).

One of the most significant developments is the enactment of the Annamalai University Act, 2013 (Tamil Nadu Act 20 of 2013), which has come into force from September 25, 2013. Annamalai University is accredited with 'A' Grade by NAAC in 2014. "The NIRF-2020" by the Ministry of Human Resource Development (MHRD) has ranked the University in the band 101 - 150 in the overall category as well as the University Category. In the Pharmacy Category the ranking is 12th in India. In the Medical Category the ranking is 35th. "The Times Higher Education World University Ranking - 2021" has ranked Annamalai University in 1000+ for Overall category. In the Subject Category Ranking, 2021, the University is ranked 601+ for Clinical & Health Subjects, in the band of 801-1000 for Engineering, 801+ for Life Sciences and 1000+ in the Physical Sciences Subjects. "The QS World University Ranking - 2021" has ranked Annamalai University in the band of 301-350 in Asia Ranking, and 39 in India Ranking. "The CWTS Leiden Ranking 2019", on scientific impact of universities and on universities' involvement in scientific collaboration & scientific performance, has ranked the University at 23rd based on the number of publications and 7th based on the proportion of publications that, compared with other publications in the same field and in the same year, belong to the top 10% most frequently cited. Among the top 212 ranked institutions for Higher Education in India the "SCImago Institutional Ranking (2019)" has ranked Annamalai University as 9th in Tamil Nadu and 29th in India.

Annamalai University is one of the largest unitary, teaching, and residential Universities in Southern Asia comprising of 10 Faculties and 49 departments of study. This University has played a pivotal role in providing access to higher education to thousands of youth cutting

across the social spectrum, especially from economically and socially disadvantaged classes. In this respect, this University's service to the nation is tremendous.

Bachelor of Engineering in Information Technology was started in the year 1999 with an intake of 60 students has now grown exemplarily with an admirable intake of 120 students. The Department of Information Technology was recently established in 2017 by bifurcating the Department of Computer Science and Engineering. The Department is now offering B.E. (Information Technology), M.E. (Information Technology), and Ph.D. (Information Technology) programs. The Department has 12 Faculty Members with Ph.D. qualification and have expertise on Data Mining, Digital Signal Processing, Networks and Soft Computing. The Department has well established state of the art infrastructure facilities.

OBJECTIVE OF THE CONFERENCE

The prime objective of organizing National Conference on Recent Trends in Computing and Information Technology (RTCIT'21) is to enable researchers, academicians and students to provide platform for innovative ideas and technology in Information Technology fields.

CALL FOR PAPERS

The topics of interest includes, but not limited too.

- Networking & Distributed Systems
- Internet of Things
- Cloud Computing
- Wireless Communication
- Mobile and Optical Communications
- Sensor Networks
- Cryptography and Security
- Data Mining and Data Warehousing
- Big Data and Data Analytics
- Data Visualization and Web Mining
- Information Retrieval
- Speech Synthesis and Recognition
- Optical Character Recognition
- Digital Image and video Processing
- Pattern/Image Recognition

- Soft Computing
- Artificial Intelligence
- Natural Language Processing
- Human Computer Interaction and Robotics
- Virtual Reality
- Geo Informatics Communications

PUBLICATIONS

Extended papers of the conference will be published in the indexed journal.

CONFERENCE GUIDELINES

Conference will have paper presentation including keynote lectures from various reputed institution. Interested authors are requested to submit their research/proposed papers.
