

About University

The Annamalai University is a unitary, teaching and residential University. It was founded in 1929 by the munificence of the farsighted and noble hearted philanthropist and patron of letters the late Hon'ble Dr. Rajah Sir Annamalai Chettiar of Chettinad. The University has the unique good fortune of having a succession of distinguished Vice-Chancellors to guide its destinies and presently under the eminent leadership of Dr.RM.Kathiresan. During the last ninety two years, the University has grown rapidly and consolidated its position as a unitary and residential university with ten Faculties, forty nine Departments of Study and seventy five affiliated Colleges. Annamalainagar is already a busy and full-fledged university town east of Chidambaram, the abode of Lord Nataraja. The University campus, including the faculties, hostels and playgrounds occupies an area of about thousand acres. The NIRF-2020 by the MHRD has ranked the University in the band of 101-150 in the overall category. The QS World university Ranking – 2021 has ranked us in the band of 301-350 in Asia ranking and 39 in India Ranking. The SCImago Institutional Ranking-2019 has ranked 9th in Tamilnadu and 29th among the top 212 ranked institutions for Higher Education in India.

About the Seminar

The aim of the Seminar is to provide an opportunity for Teachers, Faculty Members, Librarians, Researchers, Students, Industry Experts and Policy Makers from different fields to engage in discussions based on issues related to the identified Seminar theme. Seminar will also offer a wide platform to get acquainted with the modern developments and trends in the Information Science Schools and Libraries. The forum will give an opportunity to facilitate interaction among members inside and outside their own respective disciplines.

SEMINAR LECTURES:

Forenoon Session:

Lecture Title: Teaching, Learning and Research with Open Educational Resources [OER] during the Covid-19 Pandemic

Afternoon Session:

Lecture Title: Effective use of Alert Services during Pandemic

Outcome: After the completion of seminar, the researchers, Experts and professionals would be able to have a wide platform to get familiar with the recent advances and trend in the LIS Schools and Libraries.

Who should attend?

This seminar expects wide participation by Faculty Members, Professionals of Library, Research Scholars and Students.

Department: The Department of Library & Information Science was established in the year 1979. To its research credit, the department has produced 190 Ph.D's and 166 M.Phil degrees. The following academic programmes are being offered through regular stream in English Medium:

M.Lib.I.Sc. [2 Year], M.Lib.I.Sc. [5 Year]

M.Phil. & Ph.D. by Research.

The curriculum provides solid grounding in both the traditional and emerging areas of library and information science. It emphasizes the essential knowledge, skill, and professional attitude needed by professionals in these fields. It aims at fostering information professionals equipped with the theories and practices of library and information science through the study of the foundations, principles, and ideas of the discipline, and the status and expectations of the profession.

The department provides high quality educational and research opportunities; well equipped library, network supported department computer laboratory, and Internet facilities to access remote databases; and reputed faculties with long years of teaching and research experience. They are known for their commitment to research, teaching, and also for their high level of interaction with students.
