DEPARTMENT OF POPULATION STUDIES

Realizing the importance of imparting population education in this country, the University started the Centre for Population Studies in August 1976. It helped in building a nucleus of professionals in the field of population and health in India and various countries of the African region. The department functions in consonance with national policy of the Government of India.

ICSSR, NEW DELHI

Indian Council of Social Science Research, New Delhi was set up by the Government of India in 1969 as an autonomous organization in order to review, promote, encourage, assist and coordinate social science research in the country. ICSSR has developed ICSSR Data Service to serve as a national data service for promoting powerful research environment through sharing and reuse of data among Social Science community in India.
