ABOUT THE UNIVERSITY

Shri Rajah Sir Annamalai Chettiar founded Annamalai University at Chidambaram in the year of 1929. Annamalai University is one of the largest unitary, teaching, and residential Universities in Southern Asia comprising of 10 Faculties and 49 Department of studies. This University has played a pivotal role in providing access to higher education to thousands of students cutting across the socially disadvantaged classes. Annamalai University is accredited with “A+” Grade by NAAC in 2022. It was ranked in the 151-200 band overall in India by NIRF.

The Department of Biochemistry, Annamalai University was started in 1994. In a short span of time it made rapid growth in both teaching and research. The department runs a 2 year M.Sc., Biochemistry, 2 year M.Sc., Biotechnology and a 5 year integrated course in M.Sc., Biotechnology. In addition to this it offers an M. Phil and Ph.D. programme. The Biochemistry (2 Year) and Biotechnology (5 Year) course has been updated with the inclusion of all the latest topics available and in line with UGC guidelines. Till date 2018 students have been awarded M.Phil degrees and 277 awarded Ph.D. degrees. This Department is a DST-FIST and UGC-SAP assisted Department.

ABOUT THE CONFERENCE

Recent developments in the fields of molecular biology, genomics, proteomics, chemical and physical sciences elucidate disease pathogenesis at the molecular level, which may lead to the design of specific tools for disease diagnosis, prevention, and formulation of specific therapeutics. The International Conference on Molecular Medicine and Therapeutics (ICMT-2023) is a platform for discussing the molecular basis of diseases and therapeutics. The ICMT–2023 is an interdisciplinary conference where recent physical, chemical, and biological methods developed to understand the mechanisms and therapeutic interventions for both communicable and non-communicable diseases will be discussed.

The major research area to be covered in this ICMT-2023 includes:

- ❖ Molecular Basis of Diseases
- ❖ Drug Discovery
- ❖ Biochemical Pharmacology
- ❖ Natural Therapeutics
- ❖ Nanomedicine
- ❖ Chemical Biology / Medicinal Chemistry
- ❖ Multidrug Resistance
- ❖ Translational Medicine

The ICMT-2023 will provide opportunities for the delegates to exchange their novel ideas and experiences with international experts. Thus, the ICMT-2023 will surely be a platform for the discussion and presentation of new advances in the fields of Molecular Medicine and Therapeutics. The organizing committee is confident that participants will benefit from the high value scientific program. The ICMT - 2023 scientific program includes:

- ❖ Plenary lectures by eminent speakers from India and abroad
- ❖ Invited talks from senior faculty from various institutes

- ❖ Oral/Poster presentations by young researchers

AWARDS

Three presentations will be selected for Best oral/Poster Presentation Award based on its subject content and presentation. The awards are decided at the end of the conference and each winner will receive a cash award with a certificate of appreciation during the valedictory ceremony.

TRAVEL AWARDS

Travel awards will be given to selected candidates based on the merit and scientific content of their presentation.

ABSTRACTS

Abstracts must be submitted directly to the conference email id: icmt2023@gmail.com. A structured abstract is required and it should be organized into the following four required sections: Background, Methods, Results and Conclusion. The abstract must contain title of paper, name, complete mailing address, phone, fax and email of the first author and name, affiliation, city and state of additional authors. The abstract should be submitted as a Microsoft Word Doc file. Font: Times New Roman; Size: 12. The acceptance of the abstract for oral/poster presentation will be intimated to the participants by email.

ORGANIZING COMMITTEE

Chief Patron	: Prof. RM. Kathiresan, Ph. D., D. Sc., Vice-Chancellor
Patron	: Prof. K. Seetharaman, Ph. D., Registrar
Vice-Patron	: Dr. V. Ramasamy Dean Faculty of Science
Chair Person	: Dr. P. Subramanian Professor and Head Department of Biochemistry & Biotechnology
Convener	: Dr. N. Rajendra Prasad Department of Biochemistry & Biotechnology

Co-Conveners

Dr. K. Suresh **Dr. B. Raja** **Dr. S. Sivabalan**
Department of Biochemistry & Biotechnology, Annamalai University

REGISTRATION DETAILS

Participants are requested to apply for registration in the prescribed format along with a demand draft drawn in favour of the “**The Registrar, Annamalai University**” payable at Annamalai Nagar/Chidambaram, Tamil Nadu.

For Online payment mode **Account number 621201159623, ICICI Bank, Annamalai Nagar, IFSC: ICIC0006212.**

Registration fee includes food, conference abstract and kit. Registration fee does not include guest house/hostel accommodation. Upon prior requests accommodation will be arranged in University guest house/hostels. Outstation participants have to make their own arrangement for transportation.

The details about how to reach Annamalai University are provided on the University web page.
