About the University

Annamalai University, a state University, is one of the largest public residential Universities with 10 faculties and 49 department of study. Since its establishment in 1929, the University has been doing 'Yeoman services in taking education to the door steps of the people who are otherwise far from access to centres of higher learning.

The University has achieved several distinctions and is currently accredited with 'A' Grade by NAAC. Under 'The NIRF – 2018' ranking the University is in the band of 101-150 in the overall category as well as University category. The 'Times Higher Education World University Ranking – 2019' has ranked the University in the band of 501 – 600 for Life Sciences and Pre-Clinical, Clinical and Health Subjects.

About the Department

Department of Pharmacy, established in 1982, is one of the pioneer Pharmaceutical Education and Research Centres in the country. Currently it offers several programmes: Diploma in Pharmacy, Bachelor of Pharmacy, Master of Pharmacy, Doctor of Pharmacy (Regular and Post Baccalaureate) and PhD. The programmes are approved by relevant statutory authorities.

Department is ranked at 20th position among pharmacy institutions in the country and 2nd position in Tamil Nadu by National Institutional Ranking Framework (NIRF – 2018), MHRD, Government of India. The Department is well equipped with facilities for training and research activities. It is currently at UGC – SAP Phase – II and DST – FIST – Phase I Extension Levels for research and development.

About the ISPOR Student Chapter

International Society for Pharmacoeconomics and Outcomes Research (ISPOR) Student Chapter – Annamalai University is established in 2018 in the Department of Pharmacy. ISPOR is an International Non-Profit Organization working to promote Health Economics and Outcomes Research for decision making for health globally. The ISPOR student chapter at Annamalai University aims

to promote Pharmacoeconomics and other aspects of health economics among the pharmacy and allied students besides offering opportunities to develop personality and leadership qualities.

About the National Seminar

"National Seminar on Health Economics and Outcomes Research – An Indian Perspective" aims to give an insight about Health Economics and Outcomes Research to all budding health care professionals, economists and students. The seminar provides platform for learning and discussion on Pharmacoeconomics, Health Financing, Medicine Pricing, Ayushman Bharat Scheme etc. There is proposal to discuss on the career opportunities in the field of health economics.

The eminent resource persons are invited as speakers for the seminar.
