ABOUT THE DEPARTMENT

The Department of Civil Engineering is one of the ancient and well-established departments in Annamalai University. The department offers undergraduate programmes, two postgraduate programs such as Environmental Engineering, Water Resources Engineering & Management and the Doctoral Programme in Civil Engineering.

VISION

To become
School of Excellence in Civil Engineering
with **Conformity, Quality and Standards** in
teaching, research, training and consultancy
towards producing globally competent Civil Engineers.

MISSION

- M1: To Promote quality in education, research and professional training for satisfying the needs of industry and society.
- M2: To provide state-of-the-art facilities and resources that contribute to a congenial learning environment.
- M3: To establish Centers of Excellence in emerging areas of Civil Engineering for the students to acquire domain-specific expertise and also facilitate Industry-Institution interaction.
- M4: To inspire the students to pursue higher education and take competitive examinations and various career-enhancing programs.
- M5: To instill the professional ethics and their role for sustainable development and corruption-free country.

MESSAGE FROM PROF & HEAD

Dr.V.NEHRU KUMAR
Professor & Head

I am very happy that our Civil Engineering Department is releasing the issue of December 2020 newsletter "Civilize". This is definitely a forum for showcasing the technical talents of the students in the department. The major strength of the department is the team of well-qualified and dedicated faculties who are continuously supporting the students for their academic excellence. For this semester, we have arranged several programs such as preparatory class for UPSC and Gender Sensitization Program to enhance the knowledge of our students. I take this opportunity to congratulate the staff editors for their great efforts to make this newsletter a reality. Also, I invite the readers of Civilize for their contribution and suggestions for the forthcoming issues.
