WORKSHOP CONVENER

Prof. M. PRAKASH

Department of Genetics and Plant Breeding,
Faculty of Agriculture,
Annamalai University

This International Workshop was planned with an aim to bring awareness and to develop soft skills among students and faculty on aspects of electronic data repositories and management, policy and publication issues in agriculture including the use of digital field book. Its also as part of Digital India by empowering the farmers using multimedia and mobile Apps. This app is to enhance its usage for data recording of agricultural experiments, for exploration tours, social science questionnaires etc. Hand on training of Field Book application will also be given to each participant with live illustrations, agricultural experiment layouts will be used for data recording in Android Phone itself.

Speaker

Prof. M. ELANGOAN,

Principal Scientist (Genetic Resources/Economic Botany),
ICAR, ICAR-Indian Institute of Millets Research. (IIMR),
