

(Accredited with 'A' Grade by NAAC)

Celebrating 90th Anniversary

Department of Chemistry

Cordially invites you to the

Live Webinar

on

“Emerging Research Trends in Chemistry”

(24th & 25th June, 2020)

Programme Schedule

Date: 24.06.2020

Sessions	Speakers	Topics
Session I (10.00 to 11.00 am)	Dr. S. KABILAN, Professor, Department of Chemistry, AU	Retrosynthesis
Session II (11.00 to 12.00 pm)	Dr. SASMITA DASH, Professor, Department of Chemistry, AU	Surfactants: Applications in COVID-19 and other areas
Session III (2.00 to 3.00 pm)	Dr. K. KRISHNASAMY, Professor, Department of Chemistry, AU	DFT, Docking and biological evaluations of some heterocyclic molecules
Session IV (3.00 to 4.00 pm)	Dr. R. VALLIAPPAN, Professor, Department of Chemistry, AU	Public Health Chemistry-Water Analysis-Need of the Hour

Date: 25.06.2020

Sessions	Speakers	Topics
Session I (10.00 to 11.00 am)	Dr. H. MANIKANDAN, Associate Professor, Department of Chemistry, AU	<i>Bio-active Herbal Constituents:</i> a) Extraction of plants and Testing
Session II (11.00 to 12.00 pm)	Dr. S. PAZHAMALAI, Professor, Department of Chemistry, AU	b) Isolation of Bio-active Molecules and Testing
Session III (2.00 to 3.00 pm)	Dr. M. GOPALAKRISHNAN, UGC-BSR Faculty Fellow, Department of Chemistry, AU	c) Synthesis of Bioactive Natural Products
Session IV (3.00 to 4.00 pm)	Dr. R. RAJALAKSHMI, Associate Professor, Department of Chemistry, AU	Mass spectrometry- Fragmentation pattern in Aromatic Compounds

No Registration Fee

E-Certificates will be issued based on attendance of the participants.

Registration Link: https://bit.ly/3egNY07AU_DOC_WN

Dr. NIRMALA P. RATCHAGAR

Dean

Faculty of Science
Annamalai University
(Conference Director)

Dr. S. KOTHAI NAYAKI

Professor & Head

Department of Chemistry
Annamalai University
(Convener)
